The 20 minute presentation with our Panda mascot educates in a creative fashion keeping the child's attention by interactive learning. The focus is on good touch, bad touch and mixed-up touch.

Afterwards, golfers made their way to the banquet held right at the Dunes Country Club. Happy Bear, CSADV's body safety mascot, greeted golfers as they entered the banquet room. Awards were handed out to players with the best 3 overall scores, longest drive, longest put and closest to pin. One special team received the "Fore Scramblers" award for having the most fun on the golf course. A live auction was held featuring a selection of items for golfers to bid on. In addition to the live auction, a raffle was also held during the evening with an assortment of prizes.

CSADV would like to **thank** all the players, volunteers and event organizers who made this fundraiser a success! One night of safe shelter costs about \$15 at no cost to our clients. Each golfer on the course helped provide about 13 nights of safe shelter. That is just one way the money raised will go to help us achieve our mission of providing advocacy and services to all Siouxlanders who have experienced sexual assault and domestic violence.

## Volunteer Appreciation

CSADV relies heavily on the work of our volunteers. They are the ones who give their time in countless ways. Whether they help with fundraisers, answer the crisis line, respond to victim needs at the hospital or come in to help with office needs around the agency, we certainly couldn't do it without their help. This year to say thanks, the agency held a spaghetti dinner to honor those who give in so many ways. We had a fun evening reminiscing, playing games and of course enjoying the spaghetti! The families in shelter helped by cutting out their children's handprints which were colored by the children then turned into magnets for each volunteer.

CSADV is always welcoming volunteers. If you or someone you know is looking at becoming involved, have them call our agency 277-0131 and ask to speak with our volunteer coordinator.

Thank You CSADV Volunteers!!!!

## Domestic Violence Defined

Domestic Violence is the willful intimidation, physical assault, battery, sexual assault, and/or other abusive behavior perpetrated by an intimate partner against another. It is an epidemic affecting individuals in every community, regardless of age, economic status, race, religion, nationality or educational background. Violence against women is often accompanied by emotionally abusive and controlling behavior, and thus is part of a systematic pattern of dominance and control. Domestic violence results in physical injury, psychological trauma and sometimes death. The consequences of domestic violence can cross generations and truly last a lifetime.
